To whom it may concern:

In response to your notice dated 10/7/14 for the Amended June Monthly Report we filed amended reports by 11/12. This text serves as further explanation:

In response to the first item on the notice regarding Memo entries, these entries were mistakenly coded with memo fields. Those codes have been removed on this amendment.

In response to the second item on the notice regarding a 24 hour notice for an independent expenditure opposing Mary Landrieu not showing on Schedule E, the \$224.81 entry for FAST SIGNS was, after further review, determined to have been entered erroneously by field staff and therefore was not reported on the June Monthly Schedule E.

Finally, in response to the third item on the notice, regarding Sch E disbursements that did not have a corresponding 48 hour report we have determined upon further review the \$10 for KAYE LYNE HECKER is erroneous and has been removed from this Amended Report. The \$250 payment for THE STONE RIDGE GROUP regarding MARY LANDRIEU was disclosed in FEC-928793 line 2. There were two other disbursements for identical amounts for the HAGEN and PRYOR races in FEC-928981.

Thank-you
